Tayama - Supplying the Industry with Quality Florals Since 1947

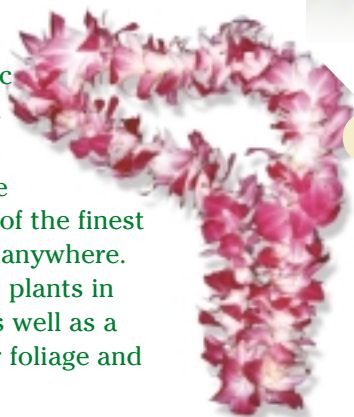

Whether you need fine orchids, fragrant gardenias, fresh grown foliage or exotic imported tropicals, Tayama is your one-stop source!

At Tayama Greenhouses, we specialize in growing some of the finest Cattleya orchids you'll find anywhere. We also grow potted orchid plants in many sizes and varieties, as well as a wide assortment of popular foliage and lush greens.

To complement our locally grown products, we import florist-quality orchids, tropicals and wedding flowers from growers worldwide. Tayama's two wholesale stores are located in Los Angeles and Carlsbad, California, the heart of the biggest and best national flower districts. Close to local growers and Los Angeles International Airport, these two unique locations ensure that your important order is processed and expedited without delay. Since we turn most of our product three times a week, we can guarantee freshness, conveniently delivered anywhere in the country.

As a third-generation family business, we know that good service is just as important as great products. Tayama's friendly staff of long-term, experienced employees is always ready to help. You can depend on superior product knowledge, order fulfillment and timely delivery tracking from either of our two locations.

We invite you to discover Tayama's exceptional quality and service for yourself. Call or visit one of our wholesale stores soon!
